MGIB-SR KICKER

A. ACKNOWLEDGMENT

In connection with my enlistment, reenlistment, or extension in the U.S. Marine Corps Reserve to become eligible for the MGIB-SR Educational Assistance Allowance Increase for Critical Skills (MGIB-SR Kicker), I acknowledge that:

1. I meet the eligibility criteria as follows:

Continued satisfactory performance in the Selected Reserve is another eligibility requirement. Entitlement may extend to 10 years from the date entitlement is first attained and I may collect up to 36 months of benefits. A complete description of entitlement requirements and rules that permit extension of the 36 month and 10 year entitlement period limit under specified conditions are provided in the DOD Instruction 1322.17.

b. I agree to serve for 6 years in a specialty or skill duty position, or in a unit of the Selected Reserve, that the Commandant of the Marine Corps has designated to be critical..

2. The particulars of my MGIB-SR Kicker agreement are:

b. The critical unit in which I shall serve _____

c. The amount of increased educational allowance to supplement each month of basic benefit to which I am entitled is _____ This monthly benefit will be adjusted by the Department of Veterans for less than full-time pursuit of educational programs.

3. The MGIB-SR Kicker may increase either MGIB-SR or MGIB (active component) monthly benefit. If I am eligible for the active component MGIB benefits, I may elect, at the time I apply for benefits, which program to supplement with the MGIB-SR Kicker.

4. While suspended or if terminated from the MGIB-SR basic program entitlement, I am not eligible to receive MGIB-SR Kicker benefits.

5. I understand that if I voluntarily leave the critical position for which I was granted MGIB-SR Kicker benefits prior to completing the 6 year obligation, even if I remain in the Selected Reserve, I shall no longer be eligible for the MGIB-SR Kicker benefit.

6. I may regain eligibility for the MGIB-SR Kicker benefit if, within 1 year of departure from the MGIB-SR Kicker qualifying position (3 years if granted an authorized period of non-availability for a religious missionary obligation) if (a) I am MGIB-SR entitled, (b) I return, in the component which granted the MGIB-SR Kicker, to the original MGIB-SR Kicker designated duty position or to a duty position that I am qualified for that is designated for the MGIB-SR Kicker at the time of my return, and (c) extend my period of enlistment/obligation for a period that, in combination with time already served in a critical skill position or unit, will equal 6 years.

7. After I complete the 6-year Selected Reserve service obligation, I will remain eligible for the MGIB-SR Kicker regardless of the duty position or component I serve in, as long as I remain entitled to receive MGIB-SR benefits.

8. I cannot become eligible for a subsequent MGIB-SR Kicker.

9. If I am declared an Unsatisfactory Participant by the Service Secretary prior to completion of the 6 year period I have agreed to serve in order to obtain this benefits, a portion of benefits received are subject to refund in addition to any MGIB-SR basis benefits which may be subject to recoupment. The amount of refund for the MGIB-SR Kicker will be computed by multiplying the total MGIB-SR Kicker benefit received by the percent of unfilled service obligation, plus interest.
