INSTRUCTIONS FOR COMPLETING THE BACHELOR HOUSING UTILIZATION REPORT

GENERAL

. This report provides information on the quantity and utilization of bachelor housing assets, for permanent party, recruits, students/trainees, and transient personnel.

. Inventory data shall reflect the total number of bachelor housing enlisted spaces and officer rooms on the installation's plant account. The inventory will reflect the conditions as of the end of the reporting period, regardless of plans to modernize, convert, divert, or dispose. Remarks will be provided on the back of the form or within a cover letter that explains the significant changes due to gains or losses, new construction or disposal, reclassification of adequacy, changes in standards, upgrades/modernization, conversions/redesignations.

. Data reported is a "snapshot in time" of the last day of the reporting period (30 March or 30 September). This is not an average but an actual count on the last day of the reporting

REPORTING FREQUENCY

Semi-annual reports shall be completed by each installation and submitted to CMC (LFF-3) no later than:

Due Date	Reporting period
30 April	Mid-Year (as of 30 March)
30 October	Annual (as of 30 September)

DEFINITIONS

. Permanent Party Personnel: These are bonafide bachelor personnel who are eligible for billeting in room-configured barracks. They are not recruits/trainees.
