8. To - The name and address of the activity being requested to perform the work or services.

9. Mail Billings To - The name and address of the organization or activity to whom the billings are to be mailed when the universal order format is issued external to DoD Components. Billings normally shall be submitted by the performing activity on a monthly basis unless specifically stated in block12.

10. Accounting Data

a. Enter the funds expiration date. This date indicates when the funds must be obligated by the performing activity. Funds not actually obligated by the expiration date shall be returned to the requesting activity.

b. The accounting classification data code structure shall be the one currently in effect. (If the accounting classification code structure is other than DoD, such as that of a civil agency, this block may be altered to accommodate the required form.)

c. The fund balances should be sufficient to cover the total estimated amount for the subject order. Block 10.f. represents the total amount of funds authorized for the particular document or amendment. Block 10.g. represents the cumulative total amount of funds authorized, including previous amendments, as of the date of that particular document and/or amendment. In the case of a "basic" document, the amounts appearing in blocks 10.f. and 10.g. will be identical.

11. Interservice Support Program - Indicate the applicable box pertaining to items requested.

12. Description of Work to be Performed and Other Instructions - Enter a specific, definite and complete description of work encompassed by the order, each item of supplies, material, equipment, or services required. If additional space is required, a continuation sheet may be used. Add the estimated amounts in block 12.g. and enter the amount in block 12.h. The amount in block 12.h. should be the same as blocks 10.f.and/or 10.g.

13. Provided through Reimbursement: (Estimated Amount) - Indicate the items an dcorresponding amounts shown in block 12., which will be completed through reimbursement. This block should be completed by the performing activity.
