5. Confirm that adequate follow up was conducted on all dormant commitments over 120 days old to determine if the requirement is still valid, or if an obligation document has been issued but not received or properly recorded.

6. Confirm that adequate follow up has been conducted on all dormant obligations over 120 days old to determine if the obligation is still valid.

7. Confirm that adequate follow up was conducted on all dormant accrued expenditures and earned receivables over 120 days old to determine if a disbursement or collection requires recording or matching.

8. Confirm that all miscellaneous obligation documents, travel orders, and supply requisitions recorded in the system for more than 180 days have been deobligated, unless there is supporting documentation from the funds holder attesting to the purpose and validity of the obligations.

9. Confirm that all commitments that could not be substaintiated or validated after a thorough review by the funds holder have been decommitted.
