PURPOSE(S): To certify that the applicant acknowledges and understands all expectations of him/her upon enrollment in an Officer Program in the United States Marine Corps. This service agreement binds the individual to the terms set forth in the agreement upon signature.
ROUTINE USE(S): This information will be accessed by recruiters and DON officials with a need to know in support of requests for enlistment in the U.S. Marine Corps. Information may also be released to officials and employees of other departments and agencies of the Executive Branch of government, upon request, in the performance of their official duties related to the management of quality military recruitment and the recruitment of Marine personnel.
DISCLOSURE: Voluntary; however, failure to provide the requested information may result in an inability to process the individual for enlistment.

1. In connection with my application for enrollment in the **SERVICE ACADEMY (SA) STUDENT NAVAL AVIATOR (SNA)** of the United States Marine Corps (USMC), I hereby acknowledge that:

a. Upon final selection approval as an **SA SNA**, my appointment will be determined by the Commandant of the Marine Corps (CMC).

b. Upon satisfactory completion of all commissioning requirements, I understand that I must choose to either accept or decline a commission if one is tendered to me, and that deferred acceptance is not authorized.

c. A commission in the USMC is held at the pleasure of the President of the United States.

d. I understand that I will incur a Military Service Obligation (MSO) of eight (8) years in the USMC from the date of appointment to commissioned grade;

(1) Any portion of this eight (8) year MSO not served on active duty will be served on inactive duty as a member of the Individual Ready Reserve (IRR) or as a member of the Selected Marine Corps Reserve (SMCR).

e. A resignation of my commission submitted prior to completion of this eight (8) year period will normally be rejected and, after this period, may be accepted or rejected by the President, as the needs of the service may then require.

f. Upon acceptance of appointment to commissioned grade, I will be assigned the primary Military Occupational Specialty (MOS) 7599 (Student Naval Aviator) and further be assigned to The Basic School (TBS) for commissioned officer training.

g. Upon successful completion of TBS, I will be assigned to the first available flight training class if I am physically qualified for such assignment when said class becomes available. Any projected delay in assignment to flight training may result in a temporary assignment to duties as dictated by the needs of the USMC until assignment to flight training can be effected.

h. After completion of TBS, any period of delay in assignment to flight training in excess of nine (9) months will be counted towards the ninety-six (96) month obligation, set forth in paragraph 2.a.

2. I consent to serve as a commissioned officer on extended active duty for the following minimum periods and understand that a request for release from active duty prior to completion of the minimum period will normally be rejected:

a. Ninety-six (96) months from the date of my successful completion of flight training and designation as a Naval Aviator; or

b. Sixty (60) months from date of appointment to commissioned grade if;

(1) I fail to meet the requirements for assignment to flight training; or

(2) I am separated from the flight training by reason of flight failure or physical disqualification (contingent upon approval from CMC).

(3) In addition to the sixty (60) month MSO, if I fail to meet the requirements for assignment to flight training as a result of my own request or by reason of academic failure, I agree to serve an additional extension of active service equal to the time spent in flight training (contingent upon approval from CMC).

c. United States Code, Title 10, Chapter 39, Sections 671a and 671b currently provide as follows:

(1) 671a. Members: Service extension during war. Unless terminated at an earlier date by the Secretary concerned, the period of active service of any member of an armed force is extended for the duration of any war in which the United States may be engaged and for six months thereafter.

(2) 671b. Members: service extension when Congress is not in session.

(a) Notwithstanding any other provision of law, when the President determines that the national interest so requires, he may, if Congress is not in session, having adjourned sine die, authorize the Secretary of Defense to extend for not more than six months enlistment, appointments, periods of active duty, periods of active duty for training, periods of obligated service, or other military status, in any component of the armed forces, that expire before the thirtieth day after Congress next convenes or reconvenes.
