INSTRUCTIONS FOR COMPLETING NAVMC FORM 11911 THE REPOERT OF RESULT OF TRIAL

1. Enter full name of the accused (Last, First, Middle Initial).

2. Enter Accused's DoD EDIPI number (10 digits).

3. Select the grade of the accused from the drop-down menu
(E1-O9).

4. Select the service of the accused from the drop-down menu.

5. Enter the unit of the accused. Include the battalion/ squadron level up to the first GCMCA level and the duty station. (Example: 1stBn, 2dMarReg, 2dMarDiv, Camp Lejeune, NC).

6. Select the Court Type and Forum from the drop-down menu. (Example: Special - Enlisted Members)

7. Enter the name of the commanding officer that convened the court-martial (rank, last name, first initial, middle initial).

8. Utilizing the "Menu" button and the "Add Charge" or "Add Specification" option, add the charges and specifications that the accused was charged with and select the Pleas and Findings. If a charge or specification was withdrawn and dismissed before the findings, do not include the charge or specification. If the charge or specification was withdrawn during the findings, select w/d as the findings. See DODI 1325.07, Appendix 1 to Enclosure 2, for list of DIBRS codes.

9. Enter the trial's disposition. If a discharge is not authorized, enter N/A. Forfeitures must be entered in whole dollar amounts per month and the number of months the forfeitures will last. Confinement should be entered as a whole number followed by the time period(Example: 10 days, 6 months, 4 years). If the court-martial awards a fine and specifies an enforcement provision, that should be entered in the "Other" block preceded by the words "Fine enforcement".

10. Enter applicable dates for preferred of charges, the Article 32, referral of charges, arraignment, and trial. Additional preferred, referral, or arraignment dates can be added if needed using the "Menu" button

11. Select the Date of Sentence from the calendar and check applicable boxes. Automatic or adjudged forfeitures and adjudged reduction take effect 14 days after the sentence unless the convening authority defers the forfeiture or reduction.

12. Enter any applicable Confinement Credits in days.

13. Check applicable box. If there is a Pretrial Agreement, briefly state the terms and how it affects the sentence.

14. DNA processing is required upon the earlier of (1) referral of charges; (2) after the 72 memorandum when a member is ordered into confinement; (3) upon confinement of a member after conviction by a special or general court-martial.

15. Select applicable option from drop-down menu. MCO 1700.28_series designates the Equal Opportunity and Diversity Management Branch (MPE) as the central repository for cases of hazing.

16. Select applicable option from drop-down menu.

17. Select applicable option from drop-down menu.

18. See DODI 1325.07 for a list of qualifying offenses.

19. Select applicable option from drop-down menu.

20. Enter the name of the Military Judge(s) (rank, last name, first initial, middle initial).

21. Enter the name of the Defense Counsel (rank, last name, first initial, middle initial).

22. Enter the name of the Trial Counsel (rank, last name, first initial, middle initial).

23. Enter the name of the Civilian Defense Counsel (last name, first initial, middle initial).
