COMMANDING OFFICER'S SCREENING / INTERVIEW GUIDE FOR SPECIAL DUTY ASSIGNMENT

Background. This checklist is comprised of three columns which list the screening requirements for Recruiting duty, Drill Instructor duty, and Combat Instructor duty. Marines may be screened for multiple special duty assignments concurrently; however, only one column is required to be completed. Career Planners should line out the columns which will not be applicable to the Marine's request. Refer to MCO 1326.6_ for the Marine Security Guard and Marine Corps Security Forces checklists.

Action. A copy of the completed Commanding Officer's Screening / Interview Guide, Financial Worksheet, and medical / dental records will accompany the Marine along with his / her travel orders during the Marine's transfer to the Special Duty Assignment School. Sixty days prior to transfer, the Commanding Officer will re-certify that the Marine is still qualified for assignment to Special Duty. The Marine's command will contact the CMC (MMEA-25) via Naval Message when there is a change in the Marine's status. Upon request, certain criteria may be waived by the CMC (MMEA).
