g. That Federal statutes and pertinent regulations applicable to personnel in the United States Navy may change without notice and such changes may affect my status as an officer candidate or commissioned officer and obligations to serve as such.

h. That should I be a candidate who enlisted for active duty and be dis-enrolled from the OCS _____ Program by reason of physical disqualification prior to commissioning, and physical disqualification is the only reason for being dis-enrolled, my status in the United States Navy shall be determined as follows:

4. I have read and completely understand the meaning and content of the above. No promises, either written or oral, have been made to me in connection with my application for enrollment in the OCS - _____ except as specified above.
