NAVY RESERVE DEFINITE RECALL PRE-REPORTING CHECKLIST
NAVPERS 1300/30 (06-2025) Supporting Directive BUPERSINST 1001.40D

Full Name *(Last, First Middle)*:		Rank/Rating:
Recall Program:	Recall Assignment:	Recall Start Date:

DO NOT COMPLETE ANY PORTION OF THIS FORM PRIOR TO 10 BUSINESS DAYS BEFORE YOUR LAST DAY AT THE NRC.

This is form intended to be a final screening immediately prior to starting active duty recall. If circumstances warrant completing the form earlier, please contact Navy Personnel Command (NAVPERSCOM) Reserve Affiliation and Re-designation Division (PERS-92) for guidance. This form must be returned to PERS-92 prior to starting definite recall orders. Failure to complete this action will nullify any pending definite recall orders the Service member has been issued.

Service member: Do NOT report for active duty pursuant to your orders unless this completed form has been returned to PERS-92.

Submit completed verification forms to PERS-92 via e-mail at PERS-92@navy.mil within 10 days prior to commencing recall.
Failure to submit this form may result in immediate order cancellation.

NRC: CO/Designated Representatives: please contact PERS-92 with questions via e-mail at PERS-92@navy.mil.

NRC: If the Service member reports for active duty pursuant to definite recall orders and has NOT already completed this form, do NOT gain the member to active duty. Contact PERS-92 immediately with questions or to cancel/modify the orders as necessary.

Section I: Suitability Screening and Command Review to be completed within 10 days prior to start of orders.
Any response in a shaded area must be explained and reported immediately to PERS-92 for further assessment.

1. Does the Service member have a favorably adjudicated, in-scope, Tier-3/NACLC (or greater) investigation documented in JPAS? Does the Service member have any pending adverse information (e.g., an open incident report) that is either documented in JPAS or pending submission by the member's security manager?		☐ Yes	☐ No
