e) One Year Limitation

Unless terminated early, this agreement must be reviewed and recertified by the parties annually to validate that arrangements are still effective and in the best interest of the Navy. The requested duration of remote work must be specifically identified below.

From: To:

f) General Provisions

Employee agrees to timely submit applicable work schedule and leave request(s) to his/her supervisor in accordance with applicable Command policy and instruction. Employee agrees to accurately record his/her time in SLDCADA, including both time spent in a duty status, as well as any applicable approved leave status. Employee agrees to ensure Environmental Hazard (EHZ) codes are utilized in SLDCADA, when applicable.

Employee understands that any change to the approved alternative worksite (block 4) must be requested in advance,authorized by management, and a new remote work agreement signed PRIOR TO implementing or effecting such change. Employee understands that any expenses associated with the change (such as moving costs, etc) will be at the employee's expense and will not be funded by the Command. Such request must be made by the employee in writing at least 30 calendar days in advance, include a detailed justification, and be directly submitted to the applicable management official consideration and decision.

g) Certification of Position & Agreement Type

This position was not recruited as a remote work position and remote work is requested.

This agreement is for: Distant Remote Worker

Local Remote Worker
