INSTRUCTIONS FOR AIRCRAFT NARRATIVE COMMENTS

1. PURPOSE. This log is to provide aircrews, brief, debrief, and evaluation personnel, and higher command echelons with a ready means of recording in narrative form such significant information as may be considered worhwhile by these personnel, or as may be directed by commanders.
2. STANDARD INSTRUCTIONS for Operational Data Logs (OPNAV 3100/1) are applicable to this log, except those pertaining to watch entries and event codes.
3. SUPPLEMENTARY HEADER INSTRUCTIONS: Enter in Box 2 the originator level of the entries on this form, i.e.,
   A. - Aircrew
   B. - Detachment of aircraft separated from squadron
   C. - Brief/Debrief/ASCAC
   E. - OPCON
   G. - COMCARDIV and COMASWGROUP
   H. - Sector Commander
   K. - Force/Fleet Commander
   M. - CINC
   N. - CNO.

When the comments being make are not related to a sortie, e.g., comments related to an exercise or to a general operational problem, (a) either enter in boxes 3 and 4 the type of aircraft involved, if appropriate, or leave blank if comments are not related to an aircraft type, and (b) leave boxes 5-11 blank.

DATA FIELD ENTRIES

1. To enter a narrative on this log, fill in the time of each event or entry in columns 18-21
2. Do not repeat the time for entries using more than one line, nor use the same time for two entries.
3. Write, print, or typewrite the narrative, starting in the corresponding row.
4. For all originator levels other than aircrew, detachments of aircraft, and brief/debrief/ASCAC, enter at the beginning of the narrative the organization number of the originator of the comments, e.g., 83.1, and state the exercise and/or operational situation to which the comments apply.
5. The entry may be a description of such significant information as:
   REASONS for tactical action taken;
   FACTOR acting to influence decision
   RESULTANT ORDERS or ACTIONS
   KINDS of activity, i.e., patrol, search;
   COMPOSITION of the action group;
   TACTICS used;
   CHANGES in TACTICS caused by changes in weather, enemy action, casualties, etc.
   WEAPONS selected; etc.
6. Debrief, or evaluation personnel of higher echelons, may include comments on: localization fixes and time thereof; effectiveness of search tactics; communications problems; location tactics and results obtained; mission performance, such as: (a) aggressiveness and skill shown in carrying out mission assignments, (b) effectiveness of the equipment operators in the proper acquisition and interpretation of sensor data, and (c) recording, log keeping and recording techniques.
7. EXAMPLE:

DUP 1-17	TIME OF EVENT	DUP 22	COMMENTS: Actions taken; reason for action: significant decisions; operating conditions; comments regarding negative and positive actions of mission and other significant events; etc.	DUP 78-79
	18 21		23 77	
	2210		**LOST RADAR CONTACT. COMMENCED CODAR TACTICS.**	
	2245		**TERMINATED CODAR AT BARRIER CHARLIE. STARTED SEARCH IN BRAVO SECTOR.**
