INSTRUCTIONS FOR COMPLETING OPNAV 3502/1 FORM

INSTRUCTIONS: The following information is provided as examples of what to look for in each of the grading areas. Each number corresponds with the grading event.

BLOCK 1: Enter UNIT/GROUP name.

BLOCK 2: Enter EVOLUTION/EVENT name.

BLOCK 3: Enter DATE.

BLOCK 4: Enter TIME.

BLOCK 5: Review the Deliberate Risk Assessment Worksheet (DRAW) to ensure that specific lessons learned/best practices, prior risk assessments, and other data from previous or similar evolutions have been incorporated.

GRADING:
- 25% - DRAW available, but not updated.
- 50% - Incorporated, but last updated 10 missions/tasks ago.
- 75% - Incorporated, but last updated 5 missions/tasks ago.
- 100% - Updated for current mission.

BLOCK 6: When attending briefing, ensure that functional areas (e.g., group staff (group) or CO and/or XO (unit), work centers (WC(s)) (group) or department heads (units), mission lead (group or unit), unit(s), group(s) or division(s) (unit) are in attendance.

GRADING:
- 25% - Briefer and Assessor in attendance.
- 50% - Briefer and 50% functional area groups in attendance.
- 75% - Briefer and 75% functional area groups in attendance.
- 100% - All required personnel in attendance.

BLOCK 7: During briefing ensure that specified task(s) and implied task(s) are briefed to respective WC(s), Unit(s), DH(s), Division(s), and Watchstander(s).

GRADING:
- 25% - Briefer and Assessor in attendance.
- 50% - Briefer and 50% functional area groups in attendance are briefed on specific and implied tasks.
- 75% - Briefer and 75% functional area groups in attendance are briefed on specific and implied tasks.
- 100% - All required personnel in attendance are briefed on specific and implied tasks.

BLOCK 8: Ensure the briefer highlights "critical/extreme" and "serious/high" for risk to mission/force, RCAs for risks, RCAs for supervision risks to mission/force.

GRADING:
- 25% - Briefer and Assessor in attendance.
- 50% - Briefer and 50% functional area groups in attendance are briefed on "critical/extreme" and "serious/high" risk to mission/force.
- 75% - Briefer and 75% functional area groups in attendance are briefed on "critical/extreme" and "serious/high" risk to mission/force.
- 100% - All required personnel in attendance are briefed on "critical/extreme" and "serious/high" risk to mission/force.

BLOCK 9: During briefing identify individuals responsible for RCAs and check for understanding of their responsibilities.

GRADING:
- 25% - No personnel identified.
- 50% - Minimal individuals identified and no understanding of their responsibilities in regard to RCAs.
- 75% - Minimal individuals identified and have understanding of their responsibilities in regard to RCAs.
- 100% - All personnel identified with knowledge and understanding of responsibilities in regard to RCAs.

BLOCK 10: What's Different Today (WDT) must be asked by the briefer to all involved in identifying "moderate/medium" risks to mission, RCAs for risks to mission, RCA supervision for risks to mission, WDT "moderate/medium" risks to forces, RCA supervision for risks to forces.

GRADING:
- 25% - Briefer and Assessor in attendance.
- 50% - Briefer and 50% functional area groups in attendance are briefed on "moderate/medium" risks to mission/force.
- 75% - Briefer and 75% functional area groups in attendance are briefed on "moderate/medium" risks to mission/force.
- 100% - All required personnel in attendance are briefed on "moderate/medium" risks to mission/force.

BLOCK 11: Ensure information was passed to supporting/supported watchstander(s), supporting/supported unit(s), division(s), WC(s), and DH(s), as required in execution of the mission/task.

GRADING:
- 25% - No information shared with personnel identified.
- 50% - Minimal individuals identified and no understanding of information for execution of mission/task.
- 75% - Minimal individuals identified and have understanding of information for execution of mission/task.
- 100% - All personnel identified with knowledge and understanding of information for execution of mission/task.

BLOCK 12: Observe mission/task execution and identify if proper TCRM was executed by supporting/supported watchstander(s), supporting/supported unit(s), division(s), WC(s), and DH(s) in completion of the mission/task.

GRADING:
- 25% - TCRM not known by any supporting members.
- 50% - No individuals understood or executed TCRM in execution of mission/task.
- 75% - Minimal individuals understood or executed TCRM in execution of mission/task.
- 100% - All personnel identified with knowledge and understanding and executed TCRM in execution of mission/task.
