11. NATURAL ENVIRONMENT EXPOSED TO OIL AND HAZARDOUS SUBSTANCE (OHS)
11a. Reef Structure:
11b. Bluffs:
11c. Beaches:
11d. Rocky Shoreline:
11e. River Banks:
11f. Mangroves:
11g. Tidal Flats:
11h. Marshes:
11i. Other Vegetation:
12. MANMADE STRUCTURE EXPOSED TO OIL AND HAZARDOUS SUBSTANCE (OHS)
12a. Seawalls:
12b. Breakwaters:
12c. Piers:
12d. Riprap:
12e. Other structure:
13. WILDLIFE EXPOSED TO OIL AND HAZARDOUS SUBSTANCE (OHS)
13a. Oiled or dead birds:
13b. Dead fish/fish pens/fishing grounds:
13c. Shellfish beds:
13d. Marine Mammals:
13e. Amphibians/reptiles:
13f. Other structure:
14. OPERATIONS
14A. Describe the relevant operations occurring at or near spill site ***(e.g., refueling, construction, salvage)***:
14b. Describe in narrative summary the operations undertaken to minimize Natural Resource Injury (NRI):

This PIER must be filed with the NAVY REC by close of business on the next business day following notification of the spill/release

Printed Name of Surveyor:	Time Signed:	Date Signed ***(DD MMM YYYY)***	Health Care Professional's Signature:
Printed Name of Reviewing REC Officer:	Time Signed:	Date Signed ***(DD MMM YYYY)***	Reviewing REC Officer Signature:

15. RECOMMENDATION
Do you recommend a more detailed damage assessment survey: YES ☐ NO ☐

Receiving Natural Resource Officer:	Date Received ***(DD MMM YYYY)***
