APPLICATION FOR RECERTIFICATION AS A NAVY GAS FREE ENGINEER

Privacy Act Statement

SECNAVINST 5311.5 (series) authorizes collection of this information. The principal purpose is to provide information to the Navy Gas Free Engineer (GFE) Certification Board relevant to the decision to certify candidates as Navy GFEs and regarding the performance of Navy GFEs relevant to the decision to recertify or decertify Navy GFEs. In addition to those disclosures permitted under 5 USC 552a(b)3 of the Privacy Act, this information may specifically be disclosed outside the DoD as routine use under 5 USC 552a(b)3 to the Navy GFE Certification Board for the purpose of certifying, recertifying, and decertifying Navy GFEs and GFE candidates. The "Blanket Routine Uses" that appear at the beginning of the Department of the Navy's compilation of systems notices apply to this system. Disclosure of this information is voluntary; however, failure to provide the information may affect participation in the Navy GFE Certification Program.

1. Name: _____ 2. Phone: _____

(Last, First, MI)

3. Activity: _____ 4. Code: _____

5. Physical Qualifications: Submit completed SF 78 Certification of Medical Examination, or equivalent evidence of physical fitness to perform GFE tasks.

6. Professional Qualifications:

a. College Courses *(List courses taken since the last certification in related areas such as fire sciences, industrial hygiene, engineering, or safety. List by name/number (if known)).*

b. Other Training *(List courses completed such as NFPA Marine Chemist Modules, DOL/OSHA, etc., completed since last certification.)*

7. Summary of Professional Activities: Provide a summary of professional activities during the past 5 years. Include information sufficient to enable the board to review and assess your performance as a GFE. List the types of vessels inspected, the different types of certifications conducted, and the approximate number of certificates issued. Also indicate any incident(s) where your Gas Free Engineering certificate ***was*** a factor in said incident(s).

SUMMARY OF PROFESSIONAL ACTIVITES				
Name:				
Maritime Facility Activity Occurred	Types of Vessels Inspected	Types of Certification Conducted	Approximate Number of Certificates Issued	Incident(s) Where your GFE Certificate was a Factor in said Incident
