13. SUPPORTING DOCUMENT REQUIREMENTS: Required supporting documentation includes the official OPNAV 5305/5 Thompson-Ravitz Unit Award Entry Form, and Commander's Letter of Nomination.

Recommended supporting documentation will be limited to five or fewer ACTIVE LINKS and five or fewer ATTACHMENTS. ACTIVE LINKS are required for access to publicly released material, and should include command-generated products such as news releases and any articles or news pieces produced by the media as a direct result of communications efforts. ATTACHMENTS should be used to provide planning and evaluation documentation such as execution/synchronization matrix/timelines and evaluation documentation. A written Communication Plan is highly recommended.

14. RESEARCH:

14a. Concisely and clearly describe the program or issue.

14b. Describe the type of research conducted and summarize research results.

14c. Explain the importance of the issue to the unit's mission/goals/objectives and the impact of communicating about the issue.
