15e. What channels and information products did you use to communicate with stakeholders and publics?

15f. What actions or support were required of non-PA parts of the unit?

15g. Provide your execution/synchronization matrix/timeline integrating the command's implementation and, if applicable, that of partner organizations.

15h. What unexpected factors or obstacles may be encountered during the planning phase? What actions were taken if encountered?

15i. What resources were required (man-hours, funding, etc.) to implement and evaluate the plan?

**16. IMPLEMENTATION:**

16a. How well were you able to take the actions identified in the execution/synchronization matrix/timeline?

16b. How well were you able to remain on the schedule identified in the execution/synchronization matrix/timeline?
