SCORING DESCRIPTIONS			
Score (10 Scale)	**Score (5 Scale)**	**Description**	**Characteristics of the Entry**
10	5	Outstanding	Extraordinary: greatly insightful and innovative, strong logic, exceedingly strategic in vision relative to others in the same grade range, completely successful. Is equal to or better than the best the judge has ever seen in that grade range.
8 - 9	4	Excellent	Superb: very insightful and innovative, sound logic, much more strategic in vision relative to others in the same grade range, highly or completely successful. Is far better than average or nearly equal to the best the judge has ever seen in that grade range.
6 - 7	3	Better than average	Strong: insightful and innovative, sound logic, shows more vision than others in the same grade range, very successful. Is better than the average the judge has seen in that grade range.
5	2.5	Average	Good: might show insight and innovation, logical, equivalent in vision to others in the same grade range, mostly successful. Is typical for those the judge has seen in that grade range.
3 - 4	2	Less than average	Lacking: shows little - if any - insight or innovation; weak logic; less vision than most others in the same grade range; not successful. Is not as good as the average the judge has seen in that grade range.
1 - 2	1	Poor	Disappointing: Very disappointing, shows no insight or innovation, not logical, lacks any vision. Far less good than the average the judge has seen in that grade range.
0	0	Lacking Merit	Completely disappointing, dogmatic, illogical, no value seen. Not capable at all.
