(4) An entrance urinalysis test showing positive indication of any prohibited drug use, including cannabis (such as hemp or marijuana), shall be cause for my being processed for separation from the Navy.	
(5) Detection of drug misuse may disqualify me from certain occupations or programs for which I enlisted and I may either be reassigned to another program or processed for separation from the Navy at the option of the Navy.	
(6) My recruiter has advised me that if I am found to have positive test indications of any prohibited drug use, I shall be processed for separation.
