5. ITEM NO.	6. DESCRIPTION OF EVIDENCE	7. FIELD TEST UTILIZED	8. RESULTS	9. RECOVERY VALUE

10. EXAMINED BY	11. DATE

This form reports the results of an informal screening test performed on the above described evidence. These findings are presumptive only; formal laboratory analysis should be conducted if such information is to be used as evidence at a court martial. This evidence will be retained for a period of 90 days, after which will be destroyed unless otherwise requested by competent authority.
