**Key Influencer** is defined as people who help to shape attitudes and opinions of youth in their communities. People turn to Key Influencers for advice and information because they have credibility. They may be experts in their field, public figures, leaders of youth organizations, teachers, guidance counselors, or school administrators. Good examples of local community Key Influencers include: university presidents, area organizers of youth athletics, society award winners, school board members, high school principals, coaches, and leaders of diversity groups. Flying these deserving candidates, in cooperation with media presence, will promote the Navy and Marine Corps as professional and exciting organizations with which to serve. **Elected officials, freelance reporters, and photographers are NOT eligible.**

When considering Key Influencer nominees, it is important to include examples of community service and youth involvement that may help a candidate stand out amongst other nominees.
