Purpose: To process requests for routine medical and dental travel and provide fund cite for approved medical and dental travel.

Routine Uses: Information will only be accessed by Field Support Activity personnel with a need to know in order to process routine medical and dental requests. To authorize and provide fund cite for approved medical and dental travel. To track and maintain medical and dental funding and to reconcile estimated versus actual cost in official accounting system using liquidated travel vouchers.

Disclosure: Voluntary; however, failure to provide the required information may result in a delay or inability to process and fund medical and dental requests.
