SUBMARINE SERVICE ENTRY DATE WORKSHEET

DO NOT REMOVE FROM SERVICE RECORD - IMPORTANT DOCUMENT

1. NAME (*Last, First, Middle Initial*):	2. DoD ID:

The Submarine Service Entry Date (SSED) may only be adjusted for the reasons described in paragraph 4b(3)(e) of OPNAVINST 7220.15A. If more than one of the dates determined in paragraphs 3, 4, or 5 of this form are applicable, then the correct SSED is the date of the earliest event that occurred.

3.	Nuclear trained enlisted personnel:	
	a. Grad date from Nuclear Power Training Unit (NPTU) with N1XO NEC prior to 901001, or;	
	b. Class convening (CLCVN) Nuclear Field "A" School (NFAS) when NPTU grad date is on or after 901001 (see Note A), or;	
	c. Report date to first submarine, or;	
	d. For NEC N2XO/N2XS, the effective date of NAVPERS 1221/6 (3-16), Navy Enlisted Classification (NEC) Change/Recommendation, approval or report date to first submarine, whichever is earlier.	
4.	All other enlisted personnel except HM:	
	a. Class convening date of Basic Enlisted Submarine School (BESS), or;	
	b. Report date to first submarine, or;	
	c. Designated "SU" by CNPC (PERS-403) letter.	
5.	Hospital Corpsman:	
	a. Class convening date of BESS, or;	
	b. Grad date Naval Underwater Medical Institute (NUMI) or Nuclear Submarine Medical Technician (NSMT) (NEC L01A), or;	
	c. Report date to first submarine.	
6.	Provide documentation to OPNAV N133D3 as required by OPNAVINST 7220.15 (Series).	

Note A: NPTU graduation date on or after 1 October 1990. The SSED for nuclear trained enlisted personnel who graduated from NPTU on or after 1 October 1990 will be established as the date enrolled to Nuclear Field "A" School. However, the computation of the SSED will not occur until after the N1XO NEC has been awarded.
