# NOTES - RECORD OF SUBMARINE DUTY FOR SPECIAL TEST AND EVALUATION DETAILS

1. OPSUBPAY is paid on a 30-day month

a. The total number of days for which OPSUBPAY is paid while attached with orders to a submarine for each month will not exceed 30 days. OPSUBPAY is not paid on the 31st day of a month. For example, if an individual's total submarine duty in the months of August and September 1995 starts at 1600 on 29 August 1995 and ends at 1000 on 2 September 1995, the member is entitled to:

| Year/ Month | Ship/Days Attached | Days of OPSUBPAY Earned |
|---|---|---|
| 9508 | 648/003 | 02* |
| 9509 | 648/002 | 02 |

4 days of OPSUBPAY or 4/30 of the monthly OPSUBPAY rate

* OPSUBPAY is not paid for submarine duty on 31 August 1995.

b. Parts of days count as whole days. For example, if an individual reports to a submarine at 2100 on a given day and detaches at 0800 on the next day, that individual will receive 2 days of OPSUBPAY (2/30 of the monthly OPSUBPAY rate) provided neither of the days is the 31st.

c. For the month of February, the individual must be attached to a submarine for the entire month to receive a full month of OPSUBPAY. Days attached to a submarine less than the full month of February will result in the payment of OPSUBPAY prorated against a 30-day month. For example, if 26 days are spent attached to a submarine in February the individuals will receive 26/30 of 1 month of OPSUBPAY.

2. TOSS is earned on a day-for-day basis

a. Each day or part of a day that an individual with a submarine designator is attached to a submarine will count as a day of Total Operational Submarine Service (TOSS) earned. One month of TOSS is 30 days. For 31-day months a maximum of 30 days of TOSS will be credited for that month. The 31st day of a month with 31 days will count toward TOSS credit providing no more than 30 days will be credited in that month. The rules governing OPSUBPAY for the month of February also apply for calculating TOSS credit for the month of February. For example, if an individual was attached to a submarine for the entire month of August 1995, that individual will earn 30 days of TOSS or 1 month of TOSS. If an individual was attached to a submarine from the 2nd through the 31st of August, they would earn 30 days of TOSS or one month of TOSS.

b. When reporting TOSS at the end of a tour of duty or for a submarine career screening gate at a special test and evaluation detail, total TOSS earned is rounded down to the last whole month. Remainder days of TOSS less than one month may not be carried forward to the next command. For instance, in the example presented in enclosure (6) of OPNAVINST 7220.15 (Series), Senior Chief Petty Officer Nar's 18 YRGT will occur on 01 November 1990. His command will submit OPNAV 7220/8 and OPNAV 7220/9 in October 1990 indicating that Senior Chief Nar had earned five months of TOSS and that he has a total career TOSS of 120 months. Again, at the end of his tour, OPNAV 7220/8 and OPNAV 7220/9 will be submitted indicating that Senior Chief Nar had earned 11 months of TOSS and that he has a total career TOSS of 126 months.
