NOTE-1: Certifications shown above are effective for the first year of qualification. Subsequent yearly reviews and re-certifications are to be entered in the blocks below.

NOTE-2: Items not required for recertification will be lined out, initialed, and dated by the Board Chairperson

NOTE-3: Only Family Groups (FG) will be documented on the 8020/5. The exception is when certifying to a new Sub-FG Device. In that case, the FG and Sub-FG Device must be listed. Type in the applicable Sub-FG Device from table 6-1 of OPNAVINST 8023.24D.
